

ITALIAN PRIMATOLOGICAL ASSOCIATION XIX NATIONAL CONGRESS

The Primates: 200 years after the birth of Darwin. History, Evolution, Ethology, Conservation

ASTI 2009, Wednesday April 1 - Thursday April 2 - Friday April 3

The XIX National Congress of the Italian Primatological Association will be held in Asti.

The city of Asti (www.comune.asti.it) is a charming provincial capital still on a human scale, very impressive for its architectural and landscape resources and its cultural and enogastronomic topics. Located in the heart of the beautiful hills of Monferrato (www.astigiano.com) it's easily accessible by road, rail and air.

The Polo Universitario di Asti promoted and coordinated by the Consortium Asti Studi Superiori (www.uni-astiss.it) is a small but extremely dynamic university, that was founded a dozen years ago and is starting to become a center for advanced training and scientific research.

Promoters:

API Associazione Primatologica Italiana

UNI-ASTISS Polo Universitario Asti Studi Superiori

ASSTA Associazione per lo Sviluppo Scientifico e Tecnologico di Asti

Program:

The program will focus on the issues of Conservation, Evolution, Genetics, Eco-ethology, Primatology in History, Art and Culture, Cognitive Ethology, etc ...
